

Timberhill Townhouse Association

Temporary addition to the Swimming Pool Regulations for 2021 in response to the COVID-19 pandemic

The State of Oregon has issued additional requirements for “limited use pools” (e.g. our pool) during the COVID-19 pandemic. The following rules conform to the requirements and are in addition to those in Section 11 of the Rules and Regulations, Swimming Pool Regulations.

This continues to be an unusual and unexpected time. The health and safety of our residents and families is extremely important. These temporary rules have been established to meet State requirements while providing our residents with the opportunity to enjoy our Oregon summer, be outdoors and swim at our pool.

1. Use of the pool is limited to one “group” at a time. A group is defined as the resident(s) of one unit in the Timberhill Townhouse Association and their guests. Please observe proper social distancing according to the Oregon guidelines.
2. The resident of a unit can reserve a time, maximum of 1-hour per day, by calling John or Linda Nimmo at 541 754-9857 (landline) or texting 541 760-5720 between the hours of 8am and 8pm. The time limit to swim may be extended if the following hour has not been reserved.
3. The pool door lock has been rekeyed, i.e. your pool key will no longer work. A pool representative will meet you at the pool to let you in and to have you sign in.
4. DO NOT enter the pool area if you have COVID-19 symptoms or are actively infected.
5. If you bring furniture and/or toys, please take them with you when you leave the pool area. Please remove any trash you bring in.
6. The drinking fountain will not be available.
7. Do not let anyone who is not part of your group into the pool area during your reserved time.

By signing and dating below, I acknowledge that I have read, understand and agree to follow the temporary Swimming Pool Regulations for 2021 in addition to the Swimming Pool Regulations in Section 11 of the THTA Rules and Regulations.
