**NOTICES AND EVENTS AT THTA**

Just feeling nostalgic – an early 2020s photo of me on my much-loved horse Shadowfax at Newport.

If anyone has memories, experiences, adventures caught on camera that you'd like to share, please feel free to send them to me.

Please review the minutes—a good description of the work to be done on the clubhouse (structures and supports). We are on target for the repair of this site.

### Governing Documents

The committee will be sending its work to the THTA lawyer for review to make sure we are 'street legal'. These materials have not been updated for a number of years so this revision will be an important addition to our governance. We will have a big reveal as soon as possible.

### THTA Walking Group

Those interested in walking the Timberhill area with other THTA residents should meet at the clubhouse bridge at 8:30a Monday through Friday. No special qualifications required—just a good pair of shoes and enthusiasm.

### Nominations for the 2026+ THTA Board

If you know someone you'd like to nominate for the Board, please do the following:

- (1) Ask the person if you may nominate him/her
- (2) If person says yes, get information (quickly) to John Nimmo
- (3) If person says no, nothing more to do
- (4) If you would like to be on the Board, please let John N. know immediately!

Remember, if we don't have volunteers, we'll have to pay for help!
